

# • Section F: **New**: Appendix with 2024 Performance Evaluation – Part 3

- Beginning with the 2024-2025 cycle, prior year faculty evaluation (of calendar year 2023 performance) will be included in promotion and/or tenure dossiers.
- Additional evaluations will be added in subsequent cycles (e.g., 2025 – 2026 dossiers will include two prior evaluations; 2026 – 2027 dossiers will include three prior evaluations)
- This is a University System of Georgia Board of Regents Policy (8.3.5.1)
- For purposes of dossier preparation, candidates will add a new **Appendix**, which is a copy of the supervisor's original written annual review (of calendar year 2023), including any faculty response to the annual review.
- Office of Faculty Affairs statement: *As a guiding principle, discretion to the benefit of the candidate should be applied when evaluating faculty under the revised policies and guidelines.*
